- In Documents, your CV and the copy of your identity card or passport are already downloaded
- You have to upload your statement of your career plan and the reason of your scholarship application (use one page for each scholarship program)
- Find on your disk the document to upload
- Select Statement of your career plan item
- Click on to upload it

III – INFORMATION AFTER THE APPLICATION

- Masters admission results will appear on the Choice page of your application account:
 - If you are admitted, you will receive an admission letter by email and post mail
 - If you are not admitted, you will receive a refusal letter by email and post mail. You cannot apply again on the same year
- After receiving your admission letter you will have to confirm your admission before deadline:
 - Connect your application account and fill in the new pages
 - Confirm your admission by paying the €1,000 deposit and validate

Warning: deadline!!

- If you pay the €1,000 deposit before the deadline and validate your registration file, you are fully registered at ISAE-SUPAERO
- If you don't pay the €1,000 deposit before the deadline, your admission is automatically canceled and your seat will be available for the other applicants on the next admission session!!

Finally:

- You will receive registration letter and accommodation information by email and post mail.
- Book your room as soon as possible (inside or outside Campus)
